Soulie ≡

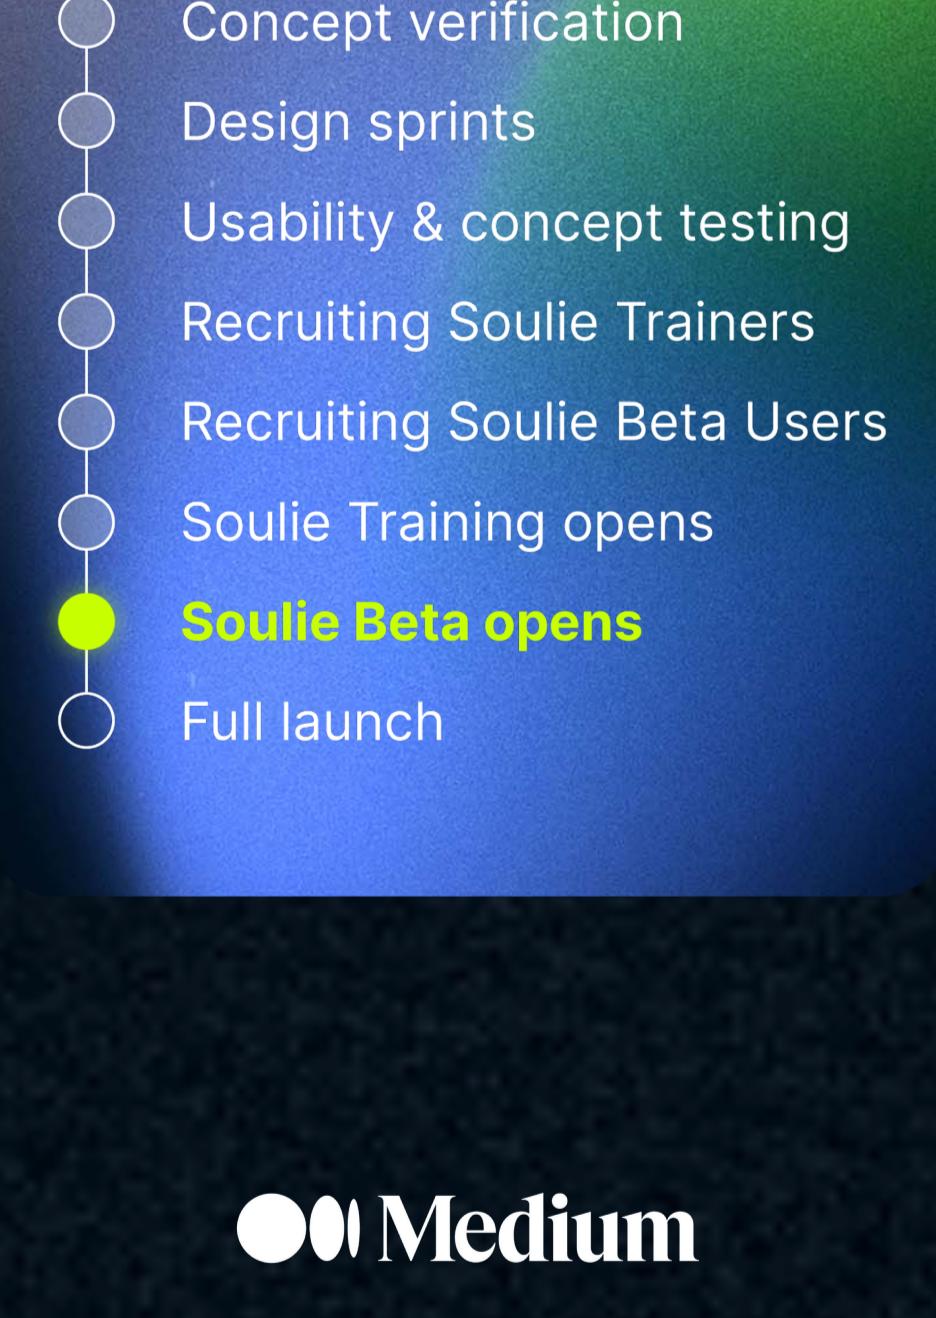

Soulie.

Social media for our brains.

The first social app where curiosity is the ultimate flex.

WHAT DO I GET? 🤔

Discover fascinating reads

The world is worth exploring. Tweak your personal algorithm to build your discovery feed.

Share your a-ha ✨ moments

Your discoveries are the new selfies. Share what sparked your curiosity with others.

Soulie

Social media platforms want you to watch ads. They keep you passively entertained & scrolling for hours. Is that really good for your brain? ✨

With Soulie,

superficial social is out. Curiosity is in. We deserve better than passive entertainment. Soulie is made for people who want more out of their scroll, by people who want the same.

Beta launching in October 2023.
